Programme
Central Macedonia

The enterprise ZAMPOURIS MANUFACTURING OF TOWED VEHICLES & ADVERTISING S.A. supported under the Action "Key to Progress: Innovation, Extraversion, and Sustainable Development in the Region of Central Macedonia" of the "Central Macedonia 2021-2027" Programme, co-financed by the European Union and National Resources. The Action aims to support existing enterprises in enhancing their outward extroversion and competitiveness, reducing their environmental footprint, and introducing technological and organizational innovation, covering selected NACE codes across all sectors (Manufacturing, Tourism, Trade, Services).

The project budget amounts to €500,000.00, and the public expenditure to €250,000.00.
